

# Code of Conduct

The Society is concerned about the conduct of all coaches, players and parents at games, at all levels, from recreation to premiere. We want to ensure that games are fair, positive, enjoyable experiences for all children and adults involved. To his end, every player, coach and parent must agree to follow the following Code of Conduct in order to participate in our programs. Failure to comply with the standards set forth in the document can lead to eventual forfeiture of the right of participation.

The Society has determined that action will be taken against any player who accumulates, during a season, 5 cautions, or 1 disqualification (including the combination of 2 cautions leading to a disqualification) as follows:

- 1st misconduct:** - Meeting with incident committee
- 2nd misconduct:** - One game suspension and meeting with incident committee
- 3rd misconduct:** - Remainder of season suspension plus incident committee hearing to determine future eligibility with the society

It will be the coach's responsibility to notify the Society's Executive Vice President within 24 hours after the misconduct via email or telephone.

The incident committee is empowered to initiate proper action as per constitution of the society.

I acknowledge that I have read and understand the Code of Conduct of players, parents and coaches of the Soccer Club. I agree to comply in letter and in spirit with the terms of the Code of Conduct of the Society.
